Darla's Choice Cuts is a series of monthly screenings that take place in alternating and unlikely locations in the Boston area. Darla's provides an intimate and informal setting to view underground, experimental and otherwise undershown films. We encourage the filmmakers to attend the screenings, and to bring their friends.

Help us expand our roving community by recommending other filmmakers whose work we might show at future screenings. Also, if you'd like to host Darla's or otherwise collaborate with us, please send an email to [darlas.choicecuts@gmail.com](mailto:darlas.choicecuts@gmail.com).
